1. The attached copy of a letter from [REDACTED] to General Donovan was sent me by the General asking if I would look into the openings mentioned stating that he would write a letter on [REDACTED] behalf.

2. It looks as if this man might be of considerable interest to us although I have no idea whether he would be willing to take a CIA position. Presumably, there is an OSS file on him which may indicate his qualifications.

3. Would you be good enough to follow up on this and if there is no interest, we can look into the possibilities with the Office for Occupied Areas in Japan.
